Hello and welcome to SKAMnanigans: The Theatre SKAM Podcast. SKAMnanigans brings you into the whimsical and wacky world of theatre. I'm your host, Branden Sugden.

Let the SKAMnanigans begin.

The Thespian Dictionary of Theatrical Terminology, first edition, defines SKAMnanigans as high-spirited and playful discussion about all things theatre; to exude theatre SKAM energy, enthusiastic, energetic, fun, and a little bit silly; amusing and interesting insight into the world of Theatre SKAM.

Join us to hear about all things theatre in Victoria, BC, the traditional territories of the Lekwungen people.

We'll have a veritable smorgasbord of episode types, featuring interviews and round table discussions, where you learn more about Theatre SKAM artists and the local theatre ecology, behind the scenes episodes with exclusive insights into the who, what, and why of SKAM projects, live and in-person episodes with on-location interviews and discussions at theatre SKAM events, and finally, creative episodes, featuring exciting new radio plays, audio dramas, and sound-based experiences.

Whether you're a seasoned theatre aficionado or just dipping your toes into the world of drama, join us on SKAMnanigans for a rollercoaster ride of entertainment, enlightenment, and endless fun.

Let the SKAMnanigans begin.
